

CASPER COLLEGE COURSE SYLLABUS
Course Number and Title – MCHT1620-71 MACHINE TOOL TECHNOLOGY II

Semester/Year: Fall 2015

Lecture Hours: 1

Lab Hours: 2

Credit Hours: 2

Class Time: 6:00 pm – 8:50 pm
10/19/15-12/16/15

Days: M W

Room: WT 121/143

Instructor's Name: Mark McCool

Instructor's Contact Information: Office 129A

Office Phone: 307-268-2508

Email:
mccoolm@caspercollege.edu

Office Hours: Monday through Thursday: 7:00am -8:00am
Mondays and Wednesdays: 12:30pm-1:00pm

Course Description: A continuation of MCHT 1610 with more complicated operations and in-depth theory including boring on the manual lathe, and milling machine operation and procedures.

Statement of Prerequisites: MCHT 1610
(Safety glasses are required.)

Goal: This course is designed to further the knowledge and experience gained from the first level course, MCHT 1610.

Outcomes: At the conclusion of this course the student will have experience in:

1. Inside diameter turning on the lathe.
2. Vertical milling machines.
3. Sequencing operations for machining.

Methodology: Two lecture/labs per week. Demonstrations coupled with laboratory exercises will comprise the bulk of the class experience.

Evaluation Criteria: EVALUATION CRITERIA: Students will be evaluated on the quality of lab work completed and by written tests. Grades will be totaled for all course work and the final grade will be determined by an average of total grades. Tests will be graded on a percentage basis.

90% & above	=	A
80% - 89%	=	B
70% - 79%	=	C
60% - 69%	=	D
59% & below	=	F

Required Text, Readings, and Materials:

No text will be required at this time.

Class Policies: Last Date to Change to Audit Status or to Withdraw with a W Grade:

Last Date to Change to Audit Status: See current Casper College catalog.

Last Date to Withdraw With a W Grade: See current Casper College catalog.

Student Rights and Responsibilities: Please refer to the Casper College Student Conduct and Judicial Code for information concerning your rights and responsibilities as a Casper College Student.

Chain of Command: If you have any problems with this class, you should first contact the instructor to attempt to solve the problem. If you are not satisfied with the solution offered by the instructor, you should then take the matter through the appropriate chain of command starting with the Department Head/Program Director, the Dean, and lastly the Vice President for Academic Affairs.

Academic Dishonesty: (Cheating & Plagiarism) Casper College demands intellectual honesty. Proven plagiarism or any form of dishonesty associated with the academic process can result in the offender failing the course in which the offense was committed or expulsion from school. See the Casper College Student Code of Conduct for more information on this topic.

Official Means of Communication: Casper College faculty and staff will employ the student's assigned Casper College email account as a primary method of communication. Students are responsible to check their account regularly.

ADA Accommodations Policy: If you need academic accommodations because of a disability, please inform me as soon as possible. See me privately after class, or during my office hours. To request academic accommodations, students must first consult with the college's Disability Services Counselor located in the Gateway Building, Room 344, (307) 268-2557, bheuer@caspercollege.edu. The Disability Services Counselor is responsible for reviewing documentation provided by students requesting accommodations, determining eligibility for accommodations, and helping students request and use appropriate accommodations.

Calendar or schedule indicating course content:

TOPIC OUTLINE

1. Introduction and outline of requirements of the class with emphasis on safety.
2. Lecture and demonstrations on boring on the lathe.
3. Lecture and demonstration on milling machine
 - Engine lathe: Cleaning & lubrication
 - Nomenclature of machine
 - Setup and operation of machines
 - Learn how to square and size stock

Attendance Policy: *Attendance is of utmost importance. Unexcused absences in the excess of 4 will result in the loss of one letter grade. Due to the consideration of the instructor and students, you must be present at the designated starting class time or you will not be allowed to participate unless prior arrangements with the instructor have been made.*
