Course Description: Thirty hours per credit of hands-on experience observing/assisting/instructing in various physical education activities: swimming, fitness, gymnastics, adaptive physical education, elementary physical education and coaching.

Statement of Prerequisites: Permission of the instructor

Goal: To provide students the opportunity to explore various disciplines within physical education.

Outcomes:

1. Demonstrate effective oral and written communication
2. Appreciate aesthetic and creative activities
3. Describe the value of personal, civic, and social responsibilities

Course Objectives: Upon completion of this course, the student will be able to:

1. Gain a better understanding and appreciating of the work involved in their desired area of specialty
2. Attain skills specific to their desired area of specialty
3. Analyze their desired area of specialty and explore other areas or the in more depth

Methodology: Observations and participation

Evaluation: The student will submit a plan for thirty to sixty hours of hands-on experience observing, assisting or instructing at an acceptable activity in the community of Casper. The student and instructor will select an area of interest. Grades will be determined via the following:

1. Administrative forms. Students must complete and submit a liability form, Independent Study form, and Supervisor Information/ Agreement form **within the first 2 weeks of the semester.**
2. Pre-participation paper. Students will write a paper describing their expectations of the field experience.
3. Daily logs. Students will log their hours and describe what they did each day. **These must be provided to the instructor once a week.**
4. Final reflective paper. Students will write a final paper summarizing their experiences, what

they learned, how it will benefit them in the future, etc.

5. Signature of completed hours. Students will have their supervisor sign off on all completed hours. **Failure to complete all required hours (30 or 60) will result in failing the course.**

Percentage of total points:

90% and above = A

Casper College may collect samples of student work demonstrating achievement of the above outcomes. Any personally identifying information will be removed from student work.

Required Text, Readings, and Materials: None

Class Policies: Last Date to Change to Audit Status or to Withdraw with a W Grade: *Nov 12, 2015*

ATTENDANCE POLICY: You are expected to make arrangements with your supervisor to schedule specific times that you will attend. You are expected to adhere to those arrangements and communicate in a professional manner if there are any issues that compromise your ability to attend at the scheduled times. Daily logs are required weekly. Failure to submit your daily logs for the week by Friday at 5:00pm will result in the lowering of your final grade by 1 letter grade, starting with the second late submission.

OTHER POLICIES: You are a representative of Casper College, the School of Health Science, and the Physical Education Department. As such, you are expected to dress and act in a professional manner at all times during your field experience.

Student Rights and Responsibilities: Please refer to the Casper College Student Conduct and Judicial Code for information concerning your rights and responsibilities as a Casper College Student.

Chain of Command: If you have any problems with this class, you should first contact the instructor to attempt to solve the problem. If you are not satisfied with the solution offered by the instructor, you should then take the matter through the appropriate chain of command starting with the Department Head/Program Director, the Dean, and lastly the Interim Vice President for Academic Affairs.

Academic Dishonesty: (Cheating & Plagiarism) Casper College demands intellectual honesty. Proven plagiarism or any form of dishonesty associated with the academic process can result in the offender failing the course in which the offense was committed or expulsion from school. See the Casper College Student Code of Conduct for more information on this topic.

Official Means of Communication: Casper College faculty and staff will employ the student's assigned Casper College email account as a primary method of communication. Students are responsible to check their account regularly.

ADA Accommodations Policy: If you need academic accommodations because of a disability, please inform me as soon as possible. See me privately after class, or during my office hours. To request academic accommodations, students must first consult with the college's Disability Services Counselor located in the Gateway Building, Room 344, (307) 268-2557, bheuer@caspercollege.edu. The Disability Services Counselor is responsible for reviewing documentation provided by students

requesting accommodations, determining eligibility for accommodations, and helping students request and use appropriate accommodations.
