As posted on office door.

Course Description: A course designed to allow students to research and complete a project dealing with some phase of the agriculture industry. The student will be required to spend a minimum of 32 hours researching, preparing and presenting their project to a selected audience. The project will be one selected by the student and approved by the instructor. The number of credit hours received will be determined by the amount of time and quality of the project. Offered fall semester only.

Statement of Prerequisites: None

Goal: Do a research project to better understand a specific topic involving agriculture.

Outcomes:

Learn and enhance knowledge of agriculture, do research, and make a presentation.

Methodology: Use whatever resources are available.

Evaluation Criteria: Written composition and oral presentation.

Required Text, Readings, and Materials: None

Student Rights and Responsibilities:

Please refer to the Casper College Student Conduct and Judicial Code for information concerning your rights and responsibilities as a Casper College Student.

Chain of Command:

If you have any problems with this class, you should first contact the instructor in order to solve the problem. If you are not satisfied with the solution offered by the instructor, you should then take your problem through the appropriate chain of command starting with the department head (Heath Hornecker), then the School of

Science Dean (Melissa Connelly), and lastly the vice president for academic affairs (Dr. Carmen Simone).

Academic Dishonesty - Cheating & Plagiarism:

Casper College demands intellectual honesty. Proven plagiarism or any form of dishonesty associated with the academic process can result in the offender failing the course in which the offense was committed or expulsion from school. See the Casper College Student Code of Conduct.

ADA Accommodations Policy:

It is the policy of Casper College to provide appropriate accommodations to any student with a documented disability. If you have a need for accommodation in this course, please make an appointment to see me at your earliest convenience.
